D.O.No.917/05/LED/HRD-ID/2017

Dated the 1<sup>st</sup> February, 2018

Dear *Colleague*

Subject: Installation of LED lights, etc. in Government Buildings – reg.

As you are already aware, the Union Government has taken a decision for mandatory installation of LED based lightings and energy efficient equipments (fans and ACs) in all government buildings on or before 31.03.2018. This project is closely monitored by the Cabinet Secretary and Revenue Secretary.

2. DG, HRD is co-ordinating with EESL to hold workshops/seminars in major cities to facilitate the smooth implementation of the project. The first such meeting has been held on 23.01.2018 in New Delhi and subsequently on 29<sup>th</sup> and 30<sup>th</sup> January 2018 in other cities like Bhubaneswar, Bangalore, Kolkata, Mumbai, Hyderabad and Jaipur. EESL has created login ids and passwords for the nodal offices of all the 468 government buildings all over India and the same has already been forwarded to all field formations by DG, HRD. The EESL website i.e. [eeslbeep.com](http://eeslbeep.com) is a dynamic website and easy to handle. The formats for recording the inventory and the model agreement to be entered into between the concerned formations and EESL are also available on the website.

3. Some formations have been pointing out that the CPWD/Maintenance Agencies have been raising queries regarding the calculation of energy consumption, disposal of existing inventory etc. These aspects have been covered/are being covered in the workshops, seminars. You may note that one to one interaction with EESL officials and CPWD at a fairly senior level would be helpful in resolving the procedural issues faster. I would like to impress upon the Chief Commissioners/Principal Commissioners/Director Generals to take personal initiative as this is a PMO directive and implementation is mandatory. I am sure that with the active co-operation of all of you, we would be able to achieve the target of installation of energy efficient equipments in all government buildings owned by CBEC by 31.03.2018.

With *best wishes,*

Yours *sincerely,*

*S. Ramesh*  
(S. Ramesh)
